

### **Remarks**

This "Amendment with Appeal" is made to correct minor errors introduced in claims 1 and 36 in the Amendment dated May 27, 2003. Specifically, the designations of the first and second side walls recited in the claims were inadvertently reversed from the designations set forth in the specification. The amendments provided in the "Amendment with Appeal" do not change the meaning of the claims, but simply restore consistency with the specification.

Accordingly, Applicant respectfully requests entry of this Amendment. Should the Examiner have any questions regarding the Amendment, the Examiner is invited to telephone the undersigned.

Respectfully submitted,

**WILLIAM P. APPS**
